

Engineered Spring Products

“I am very pleased with the craftsmanship and features [of the Fryer MB-10 mill]. My operator commended the accuracy, stability and the ‘very user-friendly’ controls.”

-Guy Van-sertima, Production Manager

**“very pleased
with the
craftsmanship
and features”**

“It’s Ideal for Job Shop and Production needs. Overall, we are very excited and satisfied to have our new MB-R series to our advantage.”
